

Maurizio Suppo, Ph. D.

Qarad

Vice President – Principal Consultant

Maurizio Suppo (born 1960, Italian citizen) obtained his **Ph.D. in molecular biology** magna cum laude from the University of Turin (Italy) in 1985. Maurizio has **more than 35 years of experience** in the field of European regulatory affairs and quality systems in the In-Vitro Diagnostic industry. He held executive positions at Sorin Biomedica (now DiaSorin), Becton Dickinson, Dade Behring and Siemens Healthcare. He has been the **Director of the European Diagnostic Manufacturers Association** (EDMA) and, in that role, he represented the IVD industry position in the drafting of the European IVD Directive 98/79/EC.

Trained ISO-9001 & 13485:2016 auditor Dr. Suppo is also an expert MDSAP auditor with more than 600 MDSAP audit hours as a lead auditor.

Maurizio Suppo joined Qarad in July 2012 and became partner and co-owner in January 2016. Since Sept. 1st, 2021 he is Vice President and Principal Consultant of Qarad now fully owned by the Belgian QbD Group. He is a **regular speaker and chairman** at international conferences and published more than 25 articles in the specialized press. He is fluent in Italian, English, French with a good knowledge of Spanish.
